T&C FOR TRAIN TICKETS

- Kindly note that we makes tickets from IRCTC certified agents.
- We use intelligent AI-based tools like Confirmticket to predict the confirmation probability of your ticket.
- Tickets are made based on the maximum confirmation probability and solely depend on the remaining days for your departure.
- However, it is essential to note that the tool does not guarantee a 100% confirmation guarantee for waitlisted and RAC tickets every time and we does not hold any control to confirm tickets every time.
- There might always be a chance that you get a RAC(half seat) or ticket may be waitlisted ticket instead of a confirmed seat and we are not responsible for not providing confirmed tickets since IRCTC is a govt body and we do not hold any control over that.
- In case train is cancelled or route is changed on time due to any reason we will not be responsible and alternate solution will be provided at monitory cost.
- It is always the best thing to book your trip in advance at least 120 days prior to improve your possibility of getting a full seat on the train.
- The seat availability of trains depends from the season to season and since few routes have specific one or two trains running on the route it might get difficult to get a confirmed seat during peak festive and tourist seasons.
- Also kindly note that we will get in touch with you to provide alternate options for trains where you can hold a chance of a confirmed ticket which may have some monetary difference in the ticket amount which if you confirm to upgrade shall be liable to pay.
- Also, there might arise a chance that our predictability tool may fail and you may get a RAC seat once the chart is prepared. Kindly note that we won't be responsible for providing full seats in such a situation nor refunding any amount since it is a govt transport and not private.
- Premium trains like Rajdhani and Duranto have a fare of 50% on the higher side than regular trains however they provide the highest confirmation probability and you can always opt for the same.
- In case you want to cancel your train tickets in the middle of a trip to opt for flight options you need to update us 48 hours prior to providing hassle-free cancellation last minute cancellations are not practically possible.
- Incase you are looking for 100% assurity of confirmed tickets it is better to book them by self using the Irctc website.
